

**GAS GAS one-two on the 7th round of the Spanish Indoor Trial Championship: Leon**

## **ADAM RAGA (GAS GAS) ROUNDS UP A SPECTACULAR SEASON WITH THE SPANISH INDOOR TITLE**

***Raga has won all the titles available: World Trial Championship, Trial des Nations and Spanish Championship, both in the indoor and outdoor versions***

Leon, 18 December 2005. - With their win at the Leon Indoor Trial, Adam Raga and his GAS GAS TXT Pro 300 rounded up a season which will be difficult to repeat, after winning the Spanish Indoor Trial Championship with his victory today and conquering all the Championships he has entered this year: the World Indoor and Outdoor Trial Championships, the Spanish Indoor and Outdoor Championships, and the indoor and outdoor Trial des Nations, a string of titles which can only be explained by the exceptional fitness level of the young 23-year-old Ulldcona rider, who indisputably holds the present world's number one place.

Raga was coming to Leon with the title virtually in his hands, with a single point required for him to achieve the championship, but the GAS GAS man rode at his highest level again to win the event held at the Leon sports arena with total superiority before his team partner Jeroni Fajardo, who also rode outstandingly and even managed to lead the trial on the first lap, completing the domination of the GAS GAS squad.

*«I am obviously very happy with the way things have gone this year,»* commented a shining Adam Raga right after climbing down the rostrum, *«it was not easy at all to dominate the season in this way, on all types of grounds, but I think that these years' consistent job is showing now and has allowed us to harvest the best fruit. I think that the work with Jordi (Tarrés) is the base to it all and the technical effort of GAS GAS, together with our daily training work is the base of the level we count on now.»* It is very difficult to find a sportsman with such a high level of perfection in the consecution of his targets as Adam Raga, a man who has been called to set a landmark in the history of world trial.
